Principal's Message

Another fantastic week has passed here at St. Paul. While winter made a brief return, we're basking in the glow of the bright morning sun!

Today, our Run Wild Pep Rally, hosted by the wonderful staff of Leading Edge Physiotherapy, filled the school with energy and excitement. Don't forget, the deadline to register is April 26, 2024!

Our Grade 6 students took the stage this afternoon, hosting a vibrant Neon Dance Party that was enjoyed by all. Huge thanks to our Grade 6 students and parent volunteers for making it such a memorable event!

Looking ahead, next week brings our much-anticipated Mind Body Spirit Day on Monday. As we celebrate Earth Day, we'll reflect on Pope Francis' message and the Laudato Si', focusing on Care for Our Common Home. We also welcome back FitSet Ninja, reminder if your child does to have a signed waiver, they will not be able to participate. The day will culminate in a special school liturgy led by our Division Chaplain, Father Glenn MacDonald.

Last weekend, a number of our students received the Holy Sacrament of Confirmation. Congratulations to all of our students who received the gift of the Holy Spirit. All students who received sacraments through the school year will be recognized at our Year End Mass in June.

We're excited for the week ahead and grateful for your ongoing support.

Reminder on Oilers game days, we invite everyone to wear Orange and Blue!

Warm Regards,
Mrs. Jone
