PRINCIPAL'S MESSAGE

Another wonderful week has gone by! We are so thankful that the weather has given us a lot of sunshine- such a blessing during the fall season. We have a busy week ahead with Read in Week-Reading is for Everyone- and next week we will be welcoming in many special guests from our Division and the community to share in the joy of reading! Please check out our school Instagram account for all the details @stpaul_ecsd

In the spirit of Thanksgiving, we are collecting cereal for ECSD Breakfast programs at various schools in our Division. Thank you to all of you who have brought in cereal to support this initiative. Donations will be accepted until October 11! As part of our Social Justice work here at St. Paul, we look forward to supporting our fellow schools in need.

Have a wonderful weekend!
