PRINCIPAL'S MESSAGE

September 30th is a National Day for Truth and Reconciliation and there will be No School. This is a day to think about how residential schools hurt Indigenous people, and to imagine ways that you can help to live in friendship with the Indigenous peoples of this land. Every child matters!

Our upcoming Parent Council Meeting - AGM, will be held here at the school on Wednesday, October 2, 2024 @ 6:30 PM. Information will be forwarded via Swift pertaining to our meeting. We hope you can join us!

As we near Thanksgiving, we will be holding a cereal drive to support the breakfast programs within Edmonton Catholic Schools; please see information attached!

The week of October 7-11 is Read in Week! We are very excited to welcome in guests from our Division and community to read with our students.

Enjoy your weekend!

**School Fees - please submit
payment through PowerSchool**

**Annual Registration Verification Form-
Please Complete!**

Families who have not completed the annual verification form for this school year, will receive communication from the Division to do so. The completion of the verification of your child's enrolment is critical in the accuracy of our records and also gives the Division the ability to garner resources that foster a vibrant and robust learning experience for our children. If you have already completed this verification, thank you!

ECSD Division Prayer

Loving Father, you sent your Son into the world to redeem us by his Cross and Resurrection. Send your Spirit upon us today to make us stewards of your gifts and witnesses of your Son, Jesus Christ, in our schools and in our world. We were created in your image and likeness; each of us a precious gift. Through the intercession of our Most Blessed Mother, Mary, the Mother of God, we ask you to protect and guide our students and staff; caring and watching over us at all times.

Come live in our hearts and strengthen us to love and serve you. Let us glorify your name, being kind and generous to everyone we meet. With Christ as our model and our teacher, we celebrate and witness our faith, learning together, working together, and praying together in answering the call to a faith-filled life of service. We pray this through your Son, Our Lord Jesus Christ, who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever.

Amen.

School councils are an important forum through which members of school communities play an advisory role in school improvement planning. Key factors in collaborative relationships are building meaningful, two-way communication and supporting respectful interactions among education partners.

School council is a structured group of parents, principals, teachers, and community representatives whose purpose is to advise the principal and the school board respecting matters relating to the school. It is a means for parents and community members to work together with the school to support and enhance student learning.
