Intentions for Next Year

*** NEW for 2021/22. ECSD has dedicated online schools that students throughout the city can enroll in for the upcoming school year.

ECSD Online Elementary/Junior High School
ECSD Online French Immersion (Grades 4-9)
ECSD Online High School

Students choosing the online delivery model would leave their current school community and be registered as a full-time student at the new online school. Students will be expected to commit to this choice for the entire school year; however, given the current uncertain future of the pandemic conditions, ECSD will provide an opportunity for students in the Online Delivery to return to in-school instruction at the mid-year point (end of January).
