

St. Paul Catholic Elementary School

School Council Meeting

January 21, 2026

Loving God,

We gather tonight in service to our school community. Guide our thoughts, our words, and our decisions, so that all we do supports the students, staff, and families of St. Paul School.

Help us to work together with patience, kindness, and hope. Bless our school, our staff, our students, and all who support them.

We ask this through Christ our Lord. Amen.

A decorative graphic on the right side of the page. It features several concentric, semi-transparent circles in shades of light blue and green. In the center of these circles, the word "Faith" is written vertically in a black, elegant cursive script.

Faith

We acknowledge that Treaty Six territory, on which we stand, is the ancestral land of the Indigenous peoples, and is common home to everyone in virtue of God, our Creator's gracious gift.

COSC Parent Evening
November 18, 2025
(Community of School Councils)

- Yearly invite extended by the Board and ECSD Leadership to engage with School Councils across the Division on priorities for the Division moving forward.
- This year, looking for input about new priorities for the Division Plan for Continuous Growth 2026-2029 (three year cycles).
- Listened to several presentations on Catholic Identity, Optimal Learning, Student Well-Being, and Classroom complexity
- Schools filled out a form on behalf on our school with feedback.
- Asked to look at:
 - As a school community, how will this work enhance the school experience for students?
 - As a parent, what is most important to you in this area of work?
- Feedback will be shared at the January 28 ECSD Public Board Meeting

Attended by: Audrey Hanna, Jazz Widner, Dalyace McNamee & Kerry Carr-Jeschke

GATE

[GATE information on School Website](#)

- GATE information session slides (September 2025)
- GATE's journey at St. Paul
 - —> What is GATE? Why GATE? Where did it begin? Where is it going?
- Planning for the future of GATE

We currently have 2 GATE cohorts:

- * **Gr. 2/3 cohort (all day) → 19 students (9 Gr. 2, 10 Gr. 3)**
- * **Gr. 4-6 cohort → 17 students**
 - 9 Gr. 4
 - 5 Gr. 5
 - 3 Gr. 6 (Gr. 6 stays in homeroom for AM)

Our Journey

where we were, where we are and where we're going...

Year 4
2025-26

- Continued research and work with division specialists and psychologists
- Collaboration with consultants for program development and implementation with one specialized GATE teacher for each cohort
- Gr. 2/3 GATE cohort ALL day (1 homeroom teacher, 1 GATE teacher)
- Gr. 4/5 homeroom + Gr. 6 homeroom (AM), Gr. 4-6 GATE cohort in PM with GATE teacher
- GATE cohorts for the full day allow for immersive, specialized programming and enriched learning experiences tailored to their unique needs.
- No Gr. 1 GATE pullout or push-in, enrichment within classroom

Feedback and
reason for
changes

- Gr. 1:
 - Age-Appropriate Environment: Supports social-emotional growth and peer connection.
 - Focus on Foundational Skills: Builds strong academic and self-regulation skills with same aged peers
 - Informed Decision-Making: Allows time to better understand learning needs before specialized placement (including the age of students)
- Sustainability of the program itself and students continuing within the program until junior high transition, along with staffing, classroom sizes and specialized GATE teachers

Our Journey

where we were, where we are and where we're going...

Year 5
2026-27

Things to
consider:

- Program growth is driven by the number of students with psycho-educational assessments indicating a Full Scale IQ (FSIQ) of 125 or higher.
- Staffing of specialized GATE teachers is determined based on student enrollment and registrations
- Programming decisions consider the age of students and current research emphasizing a holistic approach to gifted education that addresses the whole child.
- Ongoing sustainability of the program is evaluated annually to ensure consistent quality and resource allocation.
- Extensive collaboration with a multi-disciplinary team of specialists
- Maintaining small class sizes allows for intentional and appropriate programming tailored to the unique needs of our gifted learners.
- Some students opt to return to their grade-level homerooms due to academic challenges, the desire to maintain or rebuild peer relationships, or to better manage stress and social-emotional well-being.

Our Journey

where we were, where we are and where we're going...

Looking ahead...

- GATE cohorts and groupings are determined based on student registrations, class sizes, and available staffing resources.
- Budget allocations for GATE teacher staffing at St. Paul include provisions for multidisciplinary team (MDT) supports.
- Increased registrations/admissions in the GATE program facilitate the establishment of full-day cohorts.
- Programming is designed to be age-appropriate, with careful consideration given to the optimal age for program entry, based on the WHOLE child.
Should the starting age/grade change? Stay the same?
- It is essential that placement decisions are aligned with each student's individual needs and holistic development.
- Deadlines to withdraw from program (affects staffing for GATE and homerooms)

Our Evolving GATE Program: A Commitment to Growth and Excellence

At the heart of our GATE program is a commitment to continuous improvement. We are constantly evolving—making thoughtful changes based on feedback from families, teachers, and students, along with collaboration with colleagues, ongoing professional development, and input from educational specialists.

Our goal is to ensure the program:

Serves the unique needs of gifted learners

Reflects each student's learner profile

Nurtures their strengths and talents, academically, emotionally and socially

Supports areas for growth, self-regulation, and social-emotional learning

Fosters curiosity, a love of learning, and creative problem-solving

Builds a strong foundation for continued success on their educational journey

We are committed to creating a learning environment where gifted students are not only challenged academically but also supported emotionally and socially—so they can thrive both now and in the future.
