St. Paul Catholic Elementary School

OPENING PRAYER

Dear Heavenly Father,

As we gather here today in the spirit of unity and collaboration, we thank you for the opportunity to serve our school community through the School Council. We come before you with hearts filled with gratitude for the privilege of contributing to the growth and well-being of our beloved St. Paul Elementary School.

In this month of February, a time when love and kindness are celebrated, we ask for your guidance and wisdom. May our discussions be filled with understanding, compassion, and a shared commitment to fostering a nurturing and supportive environment for all students, teachers, and families.

Lord, inspire us to lead with kindness in all our endeavors. May the decisions we make be rooted in love, empathy, and a genuine desire to make a positive impact on the lives of those we serve. Help us to be mindful of the unique needs and challenges faced by each member of our school community.

We pray for the strength to cultivate an atmosphere of inclusivity, where every voice is heard, and every individual feels valued. May the seeds of kindness that we plant today blossom into a culture of compassion that extends beyond these walls and enriches the lives of everyone connected to St. Paul Elementary School.

Grant us the grace to work together harmoniously, recognizing the diversity of talents and perspectives within our council. Bless our endeavors with success, and may the outcomes of our discussions be in alignment with your divine plan for our school.

In your holy name, we pray.

Amen

LAND ACKNOWLEDGEMENT

We live, learn and play on the traditional land of Treaty 6 and homeland of the Metis.

PROVINCIAL ACHIEVEMENT EXAMS

Overview

Provincial Achievement Tests (PATs) are administered annually to all Alberta students in grades 6 and 9. These standardized tests reflect the essentials that all Alberta students are expected to achieve, regardless of school choice or location.

PATs help:

- determine if students are learning what they are expected to learn
- report to Albertans how well students have achieved provincial standards at given points in their schooling
- assist schools, authorities and the province in monitoring and improving student learning

The tests occur in January, May and June for English and Français/French language arts, math, science and social studies.
