COMMUNICATION

- **Google Classroom:** The Classwork tab is a place for students to turn in assignments and get feedback on their work. The Stream is where you can find announcements about upcoming events as well as homework. You can access your child's Google Classroom by logging into Google Chrome with their ECSD login information. Please email if you require help with this.
- **Email:** Please do not hesitate to be in touch if you have any questions or concerns about what is happening at school. I will try my best to get back to you as soon as possible. Jennifer.Hudon@ecsd.net
- **Power School:** We are using ongoing reporting through Power School. Many parents find that the Power School app is the easiest way to navigate your child's assessments assignments.

We have a Google Classroom this year. You can access it from home by going to:

1. Open the Google Chrome Browser
2. Type www.google.com
3. Click on **SIGN IN** in the upper right hand corner of the browser window. If you are logged in as a parent then add a person.
4. Type in your child's **Google Email address** & click "next."
5. xxxxxxx@school.ecsd.net Replace the X's with the students 7 digit ID number
6. Type in the student **PASSWORD** & click "next." The password is unique to each child.
7. Now you will see that the student is signed into their Google Apps for Education account.

HOMEWORK

We work hard to complete as much as possible during class time so that homework can be kept to a minimum. Homework will be communicated in the Stream of our Google Classroom.

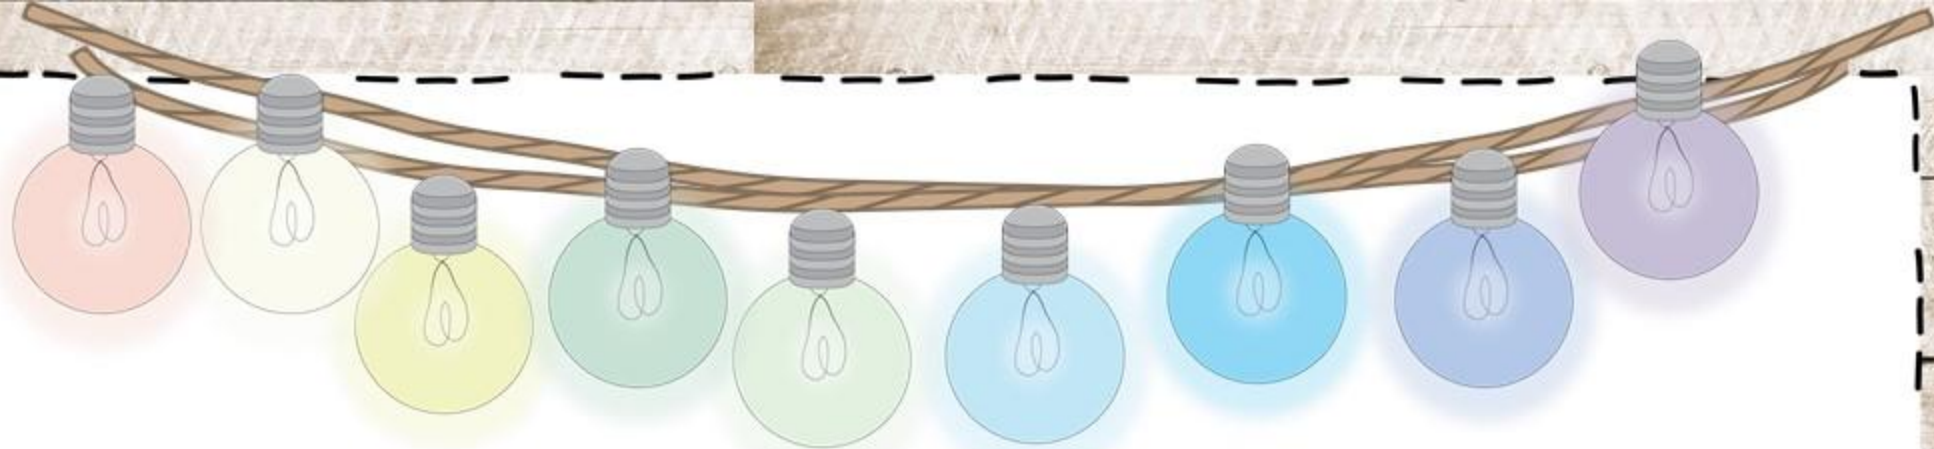

You can expect to see:

- Student-created reading goals
- Completion of some assignments
- Extra review leading up to quizzes and exams
