A little about me...

I have been teaching with ECSD for 4 years, and this is my 3rd at St. Paul. I love music -- singing, dancing, acting, playing instruments, all of it! When I am not singing a show tune, you can find me at the dog park with my little Stella.

Fun fact: I am also a certified wedding planner and designer!

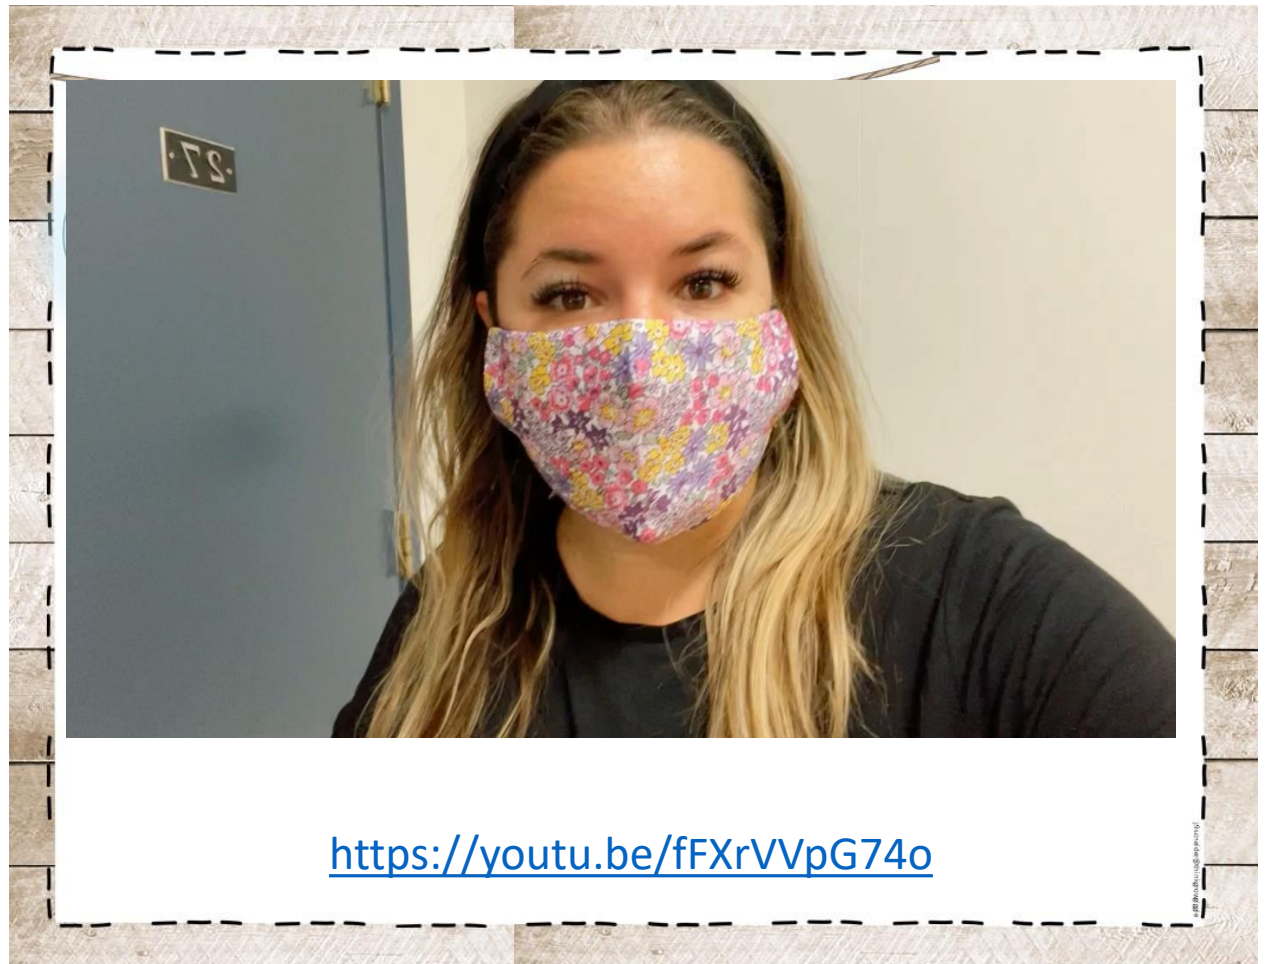

By doing
what you
LOVE, you
INSPIRE
and awaken
the hearts
of others.

This year...

I am so excited that we get to be together this year (in-person!) We have many new instruments that I can wait to explore with you all and create some wonderful music, all while having fun!
